

A close-up photograph of stainless steel design grates. The image shows a textured surface with several circular, raised elements that resemble rivets or decorative studs. The lighting creates highlights and shadows, emphasizing the metallic texture and the three-dimensional quality of the design.

LUX ELEMENTS®-TUB stainless steel design grates

Accentuation

The first thing that springs to mind nowadays when planning a new shower is a flush with the floor shower base: **modern, practical and barrier-free** LUX ELEMENTS have been producing tileable flush with the floor showers for over 20 years and are thus specialists for technically mature products.

The matching stainless steel design grates turn any shower base into a real gem. They are brilliant highlights that reflect individual style. Our models are presented in this brochure.

LUMEN

LUX ELEMENTS®-TUB stainless steel design grates

Let the sun shine

**design grate
'LUMEN'**

Every day begins in the bathroom. Add warm sunshine and your mood couldn't be better. Bring your sunshine into the shower with shining stainless steel! With the 'LUMEN' design grate it shines every day – just for you and your loved ones.

CUBE

LUX ELEMENTS®-TUB stainless steel design grates

Geometrically pure

**design grate
'CUBE'**

You like things to be tidy and structured? Then the 'CUBE' design grate with its geometrical forms is just right for you and your shower. This accessory gives your bathroom an elegant appearance and a touch of big city flair.

MARE

LUX ELEMENTS®-TUB stainless steel design grates

Mediterranean flair

**design grate
'MARE'**

Soft undulations remind you of a calm sea. The stainless steel surface shines like water in the sun.

The 'MARE' design grate conjures up visions of your last holiday. Or your next one....?!

ANGOLO

LUX ELEMENTS®-TUB stainless steel design grates

Particularly noble

**design grate
'ANGOLO'**

Geometric forms, right angles. A symbol of straightforwardness, like the product philosophy of LUX ELEMENTS. The 'ANGOLO' design grate with its refined design is more than that: it is form in perfection, noble and a very special highlight for any shower base.

VARI

LUX ELEMENTS®-TUB stainless steel design grates

Creative variety

**design grate
'VARI'**

Almost invisible. The 'VARI' design grate adapts itself to its environment like a chameleon.

Whether strong natural ceramics or fine mosaic: the cover of the grate looks just like the shower base. For everyone who loves the discrete.

LUX ELEMENTS®-TUB stainless steel design grates

Advantages of flush with the floor showers

- Easily accessible for young and old, with no tripping edges.
- Flush with the floor showers are contemporary and durable. They enable limitless showering pleasure over many years..
- LUX ELEMENTS®-TUB flush with the floor shower bases are pre-sealed and available in countless forms and formats – for your showering experience, too.
- They enable a homogenous floor covering and integrate the shower area into the room. This makes the bathroom appear to be larger.
- One advantage that should not be underestimated is the easy cleaning and care.
- The LUX ELEMENTS shower bases $\geq 120 \times 120$ cm and $\geq 150 \times 150$ cm are certified barrier-free according to the appropriate standards.
